A principal with MIG, Tim has over 30 years' experience as an accessibility planner, building code enforcement officer, and designer.

This workshop is best for:

City Planners, Risk Managers, Public Works, and anyone responsible for ADA compliance monitoring.

Self-Evaluation & Transition Plan Workshop

Ensure compliance with ADA Title II -
Public Accommodation

This informative workshop will help your entity develop and monitor implementation of an ADA Transition Plan. After this workshop, you will be able to effectively implement the Self-Evaluation & Transition Plan (SETP) template to:

- Address public complaints and requests
- Conduct facility and pedestrian R.O.W. evaluations
- Establish priorities, budgets, and schedules for ADA improvements
- Engage the public in creating the Transition Plan
- Complete the document template to produce the Final Transition Plan

This workshop is **FREE** as a benefit of your PARSAC membership, but space is limited.

Register early to save your seat!
